NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,
Admiralty,

London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers on the Retired List, who have commuted their Retired Pay, and Officers retired with a gratuity, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers of late Royal Naval Artillery Volunteers must send annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lord Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,
C. I. THOMAS.

Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117) or for failing to report themselves (Art. 118). LIST OF OFFICERS ON THE ACTIVE LIST OF THE ROYAL NAVAL RESERVE ACCORDING TO SENIORITY.

NOTE.—Officers of the Military Branch marked * have completed 12 months' training in the Royal Navy, and are entitled to the Annual Training Fee of £25 a year in the cases of Commanders and Lieutenants, £20 a year in the case of Sub-Lieutenants, and £10 a year in the cases of Acting Sub-Lieutenants and of Midshipmen. Such Officers will be marked with an additional asterisk (*) in respect of each further period of 12 months' service. Officers marked § have served in the Fleet for one or more short cruises only.

Those marked † have completed and obtained a certificate in either a Gunnery or Torpedo Short Course, whilst those marked ‡ have completed and obtained a certificate in both Gunnery and Torpedo Short Courses.

Engineer Officers marked * have completed a three months' course of Instruction at one of the Home Dockyards.

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 112), or for having left the sea service (Arts. 113 or 114), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 115). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117), or for failing to report themselves (Art. 119). Such Officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

The names of Honorary Officers who have not held rank on the Active List are shown after the List of Officers on the Active List. Retired Officers are shown in a separate List at page 723 of Quarterly Navy List.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a.) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b.) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c.) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d.) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships,

Admiralty.

807-8 HALF AND RETIRED PAY OF THE ROYAL NAVY.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank ; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority ; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 773, 793.

NAVAL OFFICERS.

I.—General Rules.

1. After the award of retired pay, no increase of such pay to be allowed to any Officer, except as provided in the Regulations for Officers on the Retired or Retired Lists when called into Active Service in time of war or emergency (see p. 941). The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled under ordinary circumstances, on retirement.

(e) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (a), may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(f) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such com-

passionate allowance as the Admiralty may think fit provided that such allowance shall in no instance exceed one third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(g) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a), may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(A) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Subordinate Officers of all ranks.

24. The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his full, half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the full, half, and retired pay and gratuity depend upon actual service.

25. An Officer placed upon the retired list is in no case to be replaced on the Active List.

26. An Officer dismissed the Service by sentence of Court-Martial for misconduct, or allowed to resign his commission to avoid trial by Court-Martial, may, at the discretion of the Admiralty, be granted a compassionate allowance provided that such allowance shall in no case exceed one third of the amount of half-pay to which the Officer was entitled at the time of removal, and provided also that such allowance shall not in any case exceed £100 per annum.

(Amended by Order-in-Council 19th November, 1881, to 15 years.)

(Extract from Order in Council of 15th January, 1878.)

37. "Officers incapacitated by illness, &c., after only short service to be granted instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal Warrant, viz.:-

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half-pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 22s. 1 year at 42 years of age."

(Extract from Order in Council of 30th November, 1882.)

38.-(a) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

"Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause.

Except in the case of wounds or injuries received on duty, the officer must be of three years' seniority in the Royal Marines.

(b) An Officer, after remaining not less than one year on half-pay, if reported by the Medical Director General to be permanently unfit for further service, may be placed on the retired list, with retired pay according upon full pay for a total period of five years in the case of an Officer whose disability has been incurred in and by the Service, and of 12 years in other cases.

(c) An Officer, who entered the Service before 1st April, 1870, shall be allowed a rate of retired pay not less than that which would have been granted to him under the Orders in Council of 22nd February, 1870, and 5th February, 1872; and an Officer who entered after 1st April, 1870, but before 1st July, 1881, may, at the discretion of the Admiralty be granted a retired allowance under the conditions contained in paragraphs 12 and 13 of the Order in Council of 15th January, 1878.

An Officer who has not been in receipt of a Good Service Pension while serving as Deputy-Adjutant-General, and whose half or retired pay after vacating the appointment falls short of £601. a year, is to be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction is to be made in the half or retired pay proportionate to such excess.

42. Lieutenant-Colonels and Colonels of Marines to be allowed to receive in retired pay together with Good Service Pension a sum not exceeding 60s. a year, but should the two together exceed that sum they will be retired on £601. a year, relinquishing the Good Service Pension.

49. To be retired at the age of 55, or if physically unfit for further service, and to be retired at an earlier age should it be deemed expedient.

50. He may also receive a special pension with the Victoria Cross.

FLAG OFFICERS.

1851.
B. Her late Majesty, by Her Order in Council of 25th June, 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 90, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag under the Order in Council of 30th June 1837. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. The above order of Decorations applies to those of similar grades. When the miniature of a higher grade of a junior Order is worn with the miniature of a lower grade a senior Order the higher grade miniature should come first, e.g., the miniature of a K.C.I.B. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Decorations.—In order of date.

c. Foreign Medals.—In order of date.

* These orders are not worn in miniature.
In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit.
† Order of Merit comes immediately after G.C.B.; it is not worn in miniature, but is to be worn round the neck on all occasions.

Full Dress.

11. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Length of bar, full dress.

12. With full dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of Orders.

13. The Buckles of the Companions of the Orders of the Bath and of St. Michael and St. George, are, as part of the Badge of the Order, to show half way between the upper and lower edge of the ribbon.

Humane Society's, and other like Medals.

14. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

15. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

16. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

<i>a. When Decorations, etc., are worn—</i>			
Full size	1 inch
Miniature	1 inch
<i>b. When the Ribbons alone are worn—</i>			
Full size	1 inch
Miniature	1 inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

17. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross and Knights Commanders will however add the ribbon of a Companion of the order, or orders, to which they belong under clauses 3 and 4. The ribbons are to be sewn plain on the cloth of the uniform, without intervals, and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of 1/4 inch intervening between each row.

Decorations, etc., with White Uniform.

18. When white undress is worn in lieu of the dress "Frock coat and epaulettes," the provisions of clauses 2 and 4 are to apply.
The ribbons, as ordered in clause 17, are to be worn on the same occasions on a removable bar.

Miniature Decorations, Badges and Medals.

19. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross and Knights Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shown in Clause 10 for the Companions of those Orders.

20. If necessary the bar should extend over the lapel of the coat.

Decorations, etc., may be worn with plain dress.

21. Stars of the Orders, and miniature Decorations, Badges of Orders, and Medals, are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

Retired Officers.

22. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

- (c) Engine Room Artificers will not wear any badges.

All Petty Officers and Men are to wear the badges denoting rating and good conduct, and indicative of special qualifications and duties to which they are entitled, as hereinafter described.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being rated an "Instructor, &c." the badge already in his possession can easily be altered.

The Beaufort Testimonial, which was founded in 1890 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of some instrument or work of a kind to be practically useful to a Naval Officer.

It is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, passes at the Royal Naval College the best examination in the subjects laid down in the King's Regulations and Admiralty instructions as comprised in Navigation.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1897 to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1864 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prize a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and The Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 50th August 1876, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the Chadwick Naval or Military Prize, to such Officer of the Naval or Military Medical Services as shall, during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE.

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. The interest of this sum is employed annually in providing a prize, consisting of books, scientific instruments, &c., which is conferred on the Engineer Student who, on the completion of his training, obtains in the examination for entry in the Royal Navy the highest total number of marks for Practical Engineering, Practical workmanship and knowledge of engine room duties: ability, skill and conduct at work during the period of training.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1868, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March 1886, will be known as the "Shadwell Testimonial" and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE.

6. Every Candidate (except Colonial Candidates who are being educated in the Colonies) will be required to present himself before a Committee, which will interview each applicant separately.

Appointments to Naval Cadet ships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Qualifying Literary Examination in educational subjects (vide par. 11), and a Medical Examination (vide par. 10).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interviewing Committee will sit shortly before the date fixed for each Qualifying Literary Examination.

7. Members of the Board of Admiralty (other than the First Lord) have the privilege of specially recommending one Candidate each time.

A Flag Officer or Commodore 1st Class appointed to the Chief Command of a Naval Station, or to a separate command, and a Captain, R.N., on receiving his first appointment to the command of a ship in commission

with full crew, is allowed to recommend specially on Candidate, provided the privilege is exercised within six months of appointment and that the Candidate recommended is not less than twelve years of age at the time.

The Government of certain Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Colonies.

All the specially recommended Candidates (with the exception of Colonial Candidates actually residing out of the United Kingdom) must be also recommended by the Interviewing Committee, and all such Candidates, without exception, must pass the Qualifying Educational Examination.

8. The Qualifying Examinations are held in March, July and December, and the appointments date from the 18th May, 15th September, 15th January, following, respectively.

9. Candidates are eligible only for one interview and Qualifying Examination.

Candidates for examination in—

March	must be not less than 12 years and 8 months nor more than 18 years of age on the following	15 May
July	do	15 Sept.
Dec.	do	15 Jan.

10. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. This may be obtained on application.

11. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation, simple composition and reproduction of the gist of a short passage twice read aloud to the Candidates.)

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed.)

† NOTE.—Copies of the papers set at one of the examinations held in each year are published by the Oxford and Cambridge Schools Examination Board, and may be obtained from the following:—Clarendon Press Depository, 116, High Street, Oxford; Henry Frowde, Amen Corner, London; Cambridge University Press Warehouse, Fetter Lane, London; Deighton, Bell and Co., Trinity Street, Cambridge.

‡ Applications should be addressed to the Assistant Private Secretary to the First Lord, and should not be made until the Candidate has reached 18 years of age. The applications must be received at the Admiralty:

For the March examination before 1st January.

Do. July do. do. 1st May.

Do. Dec. do. do. 1st October.

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

856-9 ENTRY AND EXAMINATION OF OFFICERS.

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary measurement of rectilinear surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples, money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, simple proportion, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, and non-recurring decimal fractions.

Algebra. The meaning of algebraical symbols, substitution of values, easy identities, factors, fractions, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations.

(4) **Geometry.** The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for. Candidates will be expected to write descriptions of the constructions they give.

Practical Geometry. Bisection of angles and straight lines, construction of perpendiculars to straight lines, construction of triangles with three parts given, formation of such angles as 60° , 30° , 45° , $22\frac{1}{2}^\circ$, without the use of the protractor, construction of angles equal to a given angle, construction of squares, rectangles, and parallelograms, construction of parallels to a given straight line, division of straight lines into a number of equal parts.

Theoretical Geometry. Definitions of the principal terms used either in Practical or in Theoretical Geometry, within the limits of the syllabus. The order in which the theorems are stated is not imposed as the sequence of their treatment.

(5) French or German, with an oral examination, to which importance will be attached.

(6) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

12. For all Cadets entered under these regulations the payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered at each Examination, a limited number being sons of officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 1st May, and 1st September.

Parents or guardians are further required to make a private allowance of £80 per annum to Cadets from the time they leave the Royal Naval College at Dartmouth until they reach the rank of Acting sub-Lieutenant.

13. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian is charged with the cost of outfit and personal expenses incurred by the Cadet for washing, repairing boots and clothes, pocket-money, instruments, school books, sports, &c.

14. The period of training is four years and eight months (i.e., two years at the Royal Naval College, Osborne, two years at the Royal Naval College, Dartmouth, and two terms in the Training Cruiser). The three terms of each year are approximately as follows:—15th January to 15th April; 7th May to 7th August; 15th September to 15th December.

The vacations are four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

15. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of every Cadet is required to sign a declaration, on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal.

The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of an Cadet from the Royal Naval College, if after a sufficient trial he is in their opinion, for any reason, unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year, but the proficiency and progress of the Cadet will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

16. In all subjects of instruction the principal will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress is determined, partly by examination, and partly by the marks gained for current work.

17. Cadets who fail to reach a certain standard, or who for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

18. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. No pay is allowed by Government to Cadets in the training establishments. The pocket-money allowed to Cadets is charged to the parents.

By Command of their Lordships,

C. I. THOMAS.
Admiralty, 23rd November, 1907.

NAVAL CADETS (NEW SYSTEM).

REGULATIONS RESPECTING CADETS WHILE AT THE ROYAL NAVAL COLLEGE AT OSBORNE AND DARTMOUTH AND ON BOARD THE TRAINING CRUISERS.

(For the information of Parents and Guardians.)

ADMIRALTY, 23rd November, 1907.

1. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years of which two years will be at Osborne and the remainder at Dartmouth; there will be three terms in each year. On passing out of the College at Dartmouth they will continue their training for two terms on board a Special Training Cruiser.

Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

2. The terms are from about the following dates:—

15th January to 15th April.

17th May to 7th August

15th September to 15th December

and the Vacations are

four weeks at Christmas.

three weeks at Easter and

six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations.

4. The following payment is required from the Parents or Guardians of each Cadet while in the Training Establishments as a contribution towards the cost of his education:—

At the commencement of each term £35 except in the case of those received at the reduced rate of £40 a year, whose payments will be £18 ss. 6d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted.

This payment will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £20 a year until he reaches the rank of Acting Sub-Lieutenant.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing &c, as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the college as soon as possible after the end of each term.

6. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

7. Inasmuch the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

8. Any valuable Gold Watches or Chains brought by Cadets will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page must be complete. A list of the clothes left behind will be sent with Cadets when they go on leave.

10. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

11. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, not earlier than the day before the Cadet's return—to the effect that, so far as is known he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed on his return will entail his not being received.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

12. All letters relative to the Cadets should be addressed as follows:—“The Commanding Officer, Royal Naval College,” or “The Commanding Officer, H.M.S. ———,” and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence communicate the same to the Admiralty and to the Commanding Officer of the College or the Cruiser without delay.

13. The course of study includes the following subjects:—

Mathematics with Geometrical Drawing.

Physics and Chemistry.

Mechanics and applied Mechanics, with laboratory work.

Applied Electricity, with laboratory work.

Engineering, with workshop practice and mechanical drawing.

Seamanship with Gunnery in the Training Cruiser.

Navigation.

French, with German later.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshop and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

14. In addition to the lessons which the Cadets receive in the Instructional Steamboats, they are, while in their first term at Osborne, sent out for a period of about a week in a Cruiser in order that they may acquire an early familiarity with the actual working conditions of sea life.

15. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination, and partly by the marks gained for current work.

16. (a) The passing-out examination of Cadets consists of two parts: Part I. is taken at the conclusion of the College course and Part II. after the Cruiser training.

(b) Part I. is representative of all the subjects studied at the College, with the exception of Bible study, which does not form part of the official examination, and of Seamanship, which is deferred to Part II. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

(c) In Part II. the subjects are arranged in two groups as follows:—

A. Navigation and Science;

B. Seamanship, Gunnery and Engineering;

an equal aggregate of marks being assigned in each group.

(d) First, Second and Third Classes will be awarded in Part I. and in each group of Part II.

(e) The Class obtained in passing out counts afterwards towards promotion on passing for the rank of Lieutenant, promotion being accelerated according to the following scale:—

For a First Class in Part I. . . . 2 months.

For a Second Class in Part I. . . . 1 month.

For a First Class in either group of Part II. . . . 1 month.

For a Second Class in either group of Part II. . . . ½ month.

The greatest amount of time that can be gained on passing out is accordingly four months.

(f) The order of merit on passing out is determined by the aggregate results of both parts.

17. Cadets who fail to attain a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

18. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

19. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the Parent or Guardian of every Cadet is required to sign a declaration on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal. The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet if, after a sufficient trial he is, in their opinion, for any reason unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year; but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

20. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw. The Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

21. Parents or Guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

By Command of their Lordships,

C. I. THOMAS.

EVAN MACGREGOR.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following points may be submitted as those upon which Candidates will, previous to entry, be physically examined at the Admiralty.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eye-lids. Full normal vision is required as determined by Snellen's tests, each eye being separately examined, for all Candidates for appointments in the executive or engineer branches, and for the Royal Marines.* Full normal vision is not required for Candidates for other branches of the Royal Navy, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and each case will be specially considered on its merits.

5. Impaired hearing, or discharge from one or both ears, or any disease of the external, middle, or internal ears.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate, or tonsils; many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood, vessels, deformity or contraction of the chest, phthisis, hæmoptysis, bronchitis, asthma, dyspnoea, apnoea, chronic cough, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any defect of the genital organs, or of varicocele.

11. Any disease of the stomach or bowels.

12. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet fingers, or toes.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has had small pox, or has been vaccinated. Before joining he must produce a certificate of having been re-vaccinated since infancy.

It is requested that in the case of a nominated candidate, should the preliminary private examination make it apparent that he is not likely to pass the subsequent official physical examination, the Admiralty may be informed of the fact without delay.

† 14.—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors on both sides. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

* Under present regulations candidates for the Royal Marines are examined by an Army Medical Board, and must conform to the Army Medical Regulations. When the direct entry of candidates into the Royal Marines ceases, all candidates will come under the above regulations.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth. He must also produce a certificate of moral character, up to date, and a recommendation signed by a Clergyman or Magistrate, to whom he has been for some years personally known, or by the President or Senior Professor of the College at which he was educated.

2. He must be registered, under the Medical Act in force, as qualified to practise Medicine and Surgery in Great Britain and Ireland.

- (4) That he is ready to engage for general service at home or abroad, as required.
- (5) Whether he holds, or has held, any commission or appointment in the public services.
- (6) That he is registered under the Medical Act in force as duly qualified professionally, and what diplomas, &c., he holds.

5. The certificates of registration, character, and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, 18, Victoria Street, S.W.

6. The examination will consist of two parts as follows:—

- I. Compulsory subjects
- II. Voluntary subjects.

The admission of candidates will be determined solely by the number of marks gained in the compulsory subjects. Successful candidates who qualify in voluntary subjects will have the marks so obtained added to those gained in the compulsory subjects, and their position on the list will be determined by the total of marks for both compulsory and voluntary subjects.

Candidates will be examined by the Examining Board in the following compulsory subjects, and the highest number of marks attainable will be distributed as follows:—

	Marks.
(a) Medicine, materia medica, therapeutics and general hygiene	1,300
(b) Surgery and surgical anatomy	1,300

The examination in Medicine and Surgery will be in part practical and will include, beyond papers, the examination of patients, the examination of pathological specimens, a knowledge of bacteriology, the performance of operations on the dead body, and the application of surgical apparatus. The attention of Candidates is especially drawn to the importance of the section of Operative Surgery, as a competent knowledge in this subject is essential in order to qualify for a Commission.

No Candidate shall be considered eligible who shall not have obtained at least one-third of the maximum marks in each of the above compulsory subjects.

7. Candidates may be examined in the following voluntary subjects, for which the maximum number of marks obtainable will be:—

	Marks.
Natural Sciences:—Chemistry (300); Physiology (300); Zoology (300); Botany (300); Geology and Physical Geography (300)	600

No Candidate will be allowed to present himself for examination in more than two of these subjects.

French and German (300 each)	600
--------------------------------------	-----

A number less than one-third of the marks obtainable in each of these voluntary subjects will not be allowed to count in favour of the Candidate who has qualified in the compulsory subjects

The knowledge of modern languages being considered of great importance, all intending competitors are urged to qualify in French and German.

N.B.—The examination in Chemistry will include the general principles of inorganic and organic chemistry; the preparation and properties of the chief non-metallic and metallic elements and their compounds; the preparation, properties and classification of the more important compounds such as marsh gas, ethylene, acetylene, methyl and ethyl alcohols, glycerin, ether, formic, acetic, lactic, and oxalic acids; cyanogen and cyanides; carbohydrates; fats; proteids.

The examination in Physiology will comprise the minute structure and functions of the various tissues and organs of the body; the physiology of the blood; the nature of food and the processes of its digestion; the mechanics of the circulation and of respiration; the physiology of nutrition, secretion and excretion; animal heat, the nature of sensation, volition, reflex action, inhibition and influence of the nervous system on other organs and their functions.

The examination in Zoology will include the general principles of biology and a comparison of animals with plants; the distinctive characters of the larger groups of animals—the protozoa, coelenterata, vermes, arthropoda, mollusca, echinodermata, and vertebrata—as illustrated by common types; the elements of embryology; animal parasites.

The examination in Botany will comprise the general principles of the morphology and physiology of low forms of life, *eg.*, torula, bacteria, spirogyra, moss fern; the general morphology of flowering plants; diagnosis of the important British natural orders; medicinal plants.

The examination in Geology and Physical Geography will be limited to general principles, such as the relations of the earth to the rest of the solar system; nature of the earth's crust and the chief kinds of rocks, general configuration of land and water, mountains, plains, islands, rivers, lakes, glaciers and icebergs, ocean currents, tides, winds, storms, dew, rain, climate, volcanoes, earthquakes, distribution of animal and vegetable life.

a. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically completed for, the Admiralty have power to admit annually.—

(a.) Two Candidates—proposed by the governing bodies of Schools of Medicine in the United Kingdom—who have satisfactorily filled the office of House Surgeon in a large Civil Hospital for at least six months.

(b.) Not more than six Candidates, according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy, and are to be certified by the governing body proposing them as duly qualified according to the regulations in force for the entry of Candidates.

In cases of Colonial nominations, registration of professional qualifications, as required by Clause 2 of these Regulations, may be deferred until after the arrival in England of a Candidate who has been passed on the Station,—but a commission as Surgeon will not be granted until the Certificate of the Registrar of the Medical Council has been produced at the Medical Department of the Navy.

Candidates from schools at home will be required to pass a physical examination in London, which will be arranged for by the Medical Director-General.

Colonial Candidates will have to pass a physical and test examination before a Board of Naval Medical Officers on the station.

9. Successful Candidates, immediately after passing the examination, will receive commissions as Surgeons in the Royal Navy, and will undergo a course of practical instruction in Naval Hygiene, &c., at Haslar Hospital.

Three prizes of the approximate value of 10*l* each will be awarded at the close of each session at Haslar to the students who have shown the greatest proficiency.

10. A fee of 1*l* will have to be paid by each Candidate to entitle him to take part in the competition.

11. Surgeons on entry are only required to provide themselves with a pocket case of instruments, a stethoscope and three clinical thermometers. All other instruments are provided at the public expense.

12. Every Medical Officer will be required to undergo a post graduate course of three months' duration at a Metropolitan Hospital once in every eight years (should the exigencies of the Service permit), and this as far as possible during his surgeon's, staff surgeon's, and fleet surgeon's period of service. While carrying out this course the Medical Officer will be borne on ship's books for full pay, and will be granted lodging and provision allowances. The repayment of travelling expenses to and from his home or Port will be governed by the King's Regulations. The fees for each course (not exceeding £25) will be paid by the Admiralty on the production of the necessary vouchers at the end of the course. The Medical Officer will be required to produce separate certificates of efficient attendance in the following—

- I. The medical and surgical practice of the hospital, including instruction in anaesthetics.
- II. A course of operative surgery on the dead body.
- III. A course of bacteriology.
- IV. A course of ophthalmic surgery, particular attention being paid to the diagnosis of errors of refraction.
- V. A practical course of skiagraphy.

* * * * *

Promotion.

* * * * *

The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and those at the conclusion of the Haslar course, and their names will then be placed in the Official Navy List, except in the case of Candidates who hold, or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital. These Candi-

dates will retain the position in the list which they obtained on entry and when their period of service as Resident Officer is over they will join the next Haslar Course and will be required to obtain qualifying marks. Surgeons entered without competition* will take seniority next after the last surgeon entered at the same time by competition.

* See Clause 8 of the Regulations for Entry.

The examination for promotion to the rank of Staff Surgeon will be held by the Examining Board, to which a Naval Medical Officer will be attached to conduct the examination in Naval Hygiene. The subjects of examination will be in writing, and will include :—

Medicine.
Surgery.
Pathology.
General Hygiene.
Naval Hygiene.

Earlier promotion to the rank of Staff-Surgeon may be granted to those Surgeons who, before entry, have held the post of House Surgeon to a civil hospital of not less than 100 beds for a period of not less than six months, provided their conduct and professional abilities have been favourably reported on during the time they have served in the Navy. They may be granted from six months' to one year's seniority, according to the time they have held their civil appointments as House Surgeon, but in no case will more than one year's seniority be granted.

This only applies to officers who enter by competition.

A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment will also be decided by the Medical Director-General.

The special attention of Candidates is directed to the rules under which Officers are allowed to withdraw from the Service with a gratuity of £500 after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers (see below).

The remaining paragraphs refer to the pay, retirement, &c., of officers, information respecting which is to be found in the Navy List, under the Tables of Full and Half Pay, and under the rules for retirement, &c., of officers. Copies of the Regulations will be furnished to Candidates on application.

REGULATIONS FOR THE TRAINING OF PROBATIONARY ENGINEER CADETS AT THE ROYAL NAVAL ENGINEERING COLLEGE, DEVONPORT.

Admiralty,
December, 1904.

1. Students entering the College as Probationary Cadets are not required to pass a Medical Examination on entry unless they are granted Studentships under Art. 10 of these Regulations, or enter as Colonial or Serv. or Candidates under Art. 1. Those selected for the Service will be required to pass a Medical Examination according to the prescribed regulations and must be found physically fit for the Navy before they can receive Commissions as Engineers or be accepted for the Corps of Naval Constructors.

2. Probationary Engineer Cadets will be borne on the books of the Depot Ship at Devonport for disciplinary purposes. The full period of training will be for five years, but able and industrious Engineer Cadets may complete the course and pass out at the end of their fourth year.

3. The Parent or Guardian of each Probationary Cadet will be required to pay the sum of 75L. per annum.

A limited number of studentships of 35L. each per annum will be given to those candidates who are most successful in the examination for entrance to the College, thereby reducing the annual payment in the case of any such student to 40L.

These Studentships will be granted only to Candidates who are medically fit and who will bind themselves to compete for commissions at the end of the period of training or to enter the Corps of Naval Constructors.

† The final examination for the entry of Probationary Engineer Cadets took place in March, 1904. For particulars of the entry of all Cadets under the new scheme see pp. 863, &c.

‡ The physical requirements for candidates for commissions in the Royal Navy are given in a separate memorandum. (See p. 862.)

It will further be at the discretion of the Lords Commissioners of the Admiralty to select from the candidates entered at each yearly examination, a number not to exceed five, being sons of Officers of the Navy, Army, or Royal Marines, or of Civil servants under the Board of Admiralty, with respect to whom the annual payment will be *nil*. only. Their Lordships also reserve the power to further reduce this latter sum in the case of sons of Officers killed or drowned, or who have otherwise lost their lives on service. In making their selection, my Lords will have regard solely to the pecuniary circumstances of the Parents or Guardians of the Cadets.

Probationary Cadets paying the full fee of 75*l*. per annum, are under no obligation to enter the Service.

This paragraph only applies to Probationary Cadets examined in March, 1903, or after that date.

4. The payments of fees are to be made in advance, to the Cashier of H.M. Dockyard, at Devonport; in three equal instalments, viz., on 1st January, 1st May, and 1st September.

5. The Parents or Guardians will also be required to provide the Uniform or other Clothing, Washing, and Personal Necessaries of the Cadet. Medical Attendance will be provided by the Admiralty.

6. The weekly pay of Cadets will be as follows, provided they are well reported on by the officers:—

First Year	One Shilling	} a week.
Second „	Two Shillings	
Third „	Three „	
Fourth „	Five „	
Fifth „	Eight „	

7. The vacations will be as stated below. Cadets whose conduct and progress have not been satisfactory, will be granted leave for shorter periods, at the discretion of the Commander-in-Chief on submission from the Captain of the College.

Summer	28 working days.
(Approximately from 31 July to 1 Sept.)	
Christmas	18 working days.
Easter	„

8. Every Cadet on first joining, or on returning to the College after the vacations, will be required to produce a health certificate—signed by his Parent or Guardian, not earlier than the day before his return to the College—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his first joining, or during the vacation, been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary form, will be sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return to the College, will entail his being isolated until the certificate is received.

9. The Cadets will draw pay while on leave.

When absent on account of injuries or sickness from causes beyond their own control they will not be deprived of pay until such absence amounts to six months in the aggregate during any period of twelve months, at the expiration of which time a special report is to be made to their Lordships.

10. The Cadets will be under the supervision of the Captain of the College and a Staff of Officers acting under the orders of the Commander-in-Chief and will be subject to such rules and regulations as their Lordships may deem necessary.

11. During their course of training, the Cadets will receive instruction according to a prescribed course of theoretical and practical subjects, in addition to the training in the Workshops, and Drawing Office of the Dockyard and Factory and on board ships, so as to enable them to acquire the necessary knowledge to qualify them for performing the duties of a Naval Engineer.

While the Cadets are being instructed in Ship-building they will be under the direction of the Chief Constructor.

12. Those Cadets who fail to make satisfactory progress, or are guilty of persistent misconduct, will be discharged.

It is to be distinctly understood that the period of training in the College is a time of probation, and the parent or guardian of every Cadet must understand that it is a condition of such Cadet joining that he shall be immediately withdrawn on the receipt of an official intimation requiring such withdrawal, or in the event of the Cadet not obtaining a Commission at the end of his training. Such a request for withdrawal may be made for reasons of health or physique.

In the event of serious misconduct on the part of Senior Cadets, which may not be of such a nature as to entail dismissal, their appointments as Engineer Sub-Lieutenants will be withheld for such period as may be considered necessary, after passing for this rank, on the completion of their period of training. During this period they will be employed in the Workshops only, and their conduct will be reported to the Admiralty quarterly.

Those who do not succeed in obtaining commissions will be discharged unless special permission is granted for them to remain for a further period of instruction. Those who are selected for commissions may be retained in the College for a fifth year at the discretion of the College Authorities. Cadets retained for a fifth year will be examined in the papers of the fourth year with such additions and omissions as may be considered necessary.

14. A Cadet who in any year fails to pass a satisfactory standard will be dismissed unless reasons satisfactory to their Lordships are given by the College Authorities for his retention.

15. No Cadet can obtain his commission as Engineer Sub-Lieutenant until he has satisfactorily completed his workmanship course and has passed the Examination held by the Reserve Officers.

16. Cadets showing special fitness may, on the recommendation of the Director of Naval Education, be selected to proceed to the Royal Naval College, Greenwich, for a further course of instruction.

17. The class of certificate awarded to those Cadets who proceed to Greenwich will be determined by the result of their subsequent examinations there.

18. In the case of those Cadets who do not succeed in passing for Greenwich the Order of Merit and class of Certificate will be determined by the sum total of the marks gained when passing the four annual Examinations.

19. The standards of marks required for passing and for certificates are subject to reasonable discretion on the part of the examining authority. Subject to this, the standard for obtaining a Second Class Certificate will be 40 per cent. on the sum total in each Group.

The standard for a Third Class Certificate will be 30 per cent. on the sum total in each Group.

Cadets who obtain Second Class Certificates will be allowed three months' time towards promotion.

Those who obtain Third Class, but succeed in getting 35 per cent. of the total marks of each Group, will be allowed one and a half month's time towards promotion.

First Class Certificates can be gained only after the course at Greenwich; for these six months' time towards promotion will be allowed.

20. Prizes will be given annually to Cadets most highly reported on for their skilful workmanship, and for distinction at the Examinations in Professional and educational subjects.

Prizes will also be given for proficiency in the French Language, in which voluntary classes are held and a bonus of marks, not exceeding 100, is given to candidates showing proficiency in that language.

21. Intermediate Examinations will be held in December, at which Cadets will be required to show satisfactory progress.

22. The Final Examination of Cadets in Professional Subjects and knowledge of engine-room duties will be held by the officers of the Reserve in time for Certificates to be forwarded to the Admiralty by the 9th of June. Certificates of proficiency in Practical Workmanship, from the Chief Engineer of the Dockyard, will also be forwarded by the same date.

These practical Certificates from Reserve and Dockyard will be marked Very Creditable, Creditable, or Ordinary, in accordance with the proficiency of the candidates.

Cadets failing to obtain these certificates are liable to dismissal, but they may be allowed to serve such further period, not exceeding one year, as may be determined upon, and again submit themselves for examination.

Cadets who receive Very Creditable Certificates both from the Chief Engineer of the Dockyard and the Reserve Officers will be allowed three months' time towards promotion.

This will be in addition to any time which may be gained under paragraph 17, but subject to the condition that in no case can the total time gained under these Regulations, and by the holding of a First Class Professional Certificate at the Royal Naval College, exceed two years.

23. Cadets will not be entered as Engineer Sub-Lieutenants until they have learned to swim.

24. Cadets who have qualified for the further course of instruction at the Royal Naval College will proceed there on or about the 1st of October following their examination.

In the event of the conduct or qualifications of any Engineer Sub-Lieutenant being reported not satisfactory, his promotion to Engineer Lieutenant will be withheld for six months, or for such other period as may be considered desirable.

25. A few Engineer Sub-Lieutenants may be selected annually from those who take the highest place at the examination at the end of the first session at the Royal Naval College, Greenwich, to pass through a further course of instruction during a second session. On the examination at the end of the second session two or more Engineer Sub-Lieutenants may be selected to pass through a third and final session. Engineer Sub-Lieutenants or Lieutenants who complete three sessions at the College will be considered eligible to fill vacancies occurring in the civil appointments at the Dockyards and at the Admiralty, after they have served for three years in a seagoing ship.

The Engineer Sub-Lieutenants who pass the second and third sessions at the Royal Naval College, Greenwich, will be attached during the vacation between the 20th June and 1st October to the Reserves, where they will be employed in sketching Machinery, attending trials of engines, and gaining such professional information as will be most useful to them in connexion with designs of machinery.

27. About two Cadets who have shown special ability during their first or second year of training will be selected annually for appointment as Naval Constructors Cadets and will, from the date of such selection, pursue the special course of studies prescribed for them at the Royal Naval Engineering College. CONDITIONS OF SERVICE UNDER TRAINING.

SELECTION OF A TRADE.

21. Boy Artificers will be permitted to select, subject to the requirements of His Majesty's Service, which of the four trades of Fitter, Boilermaker, Engine Smith, or Coopersmith they will follow. The selection will be made among the Boy Artificers at each Port Independently, and not from the combined list. Opportunities will, however, be afforded them of obtaining an insight into the trades they do not select, and also of making working sketches, so as to fit them to carry out all the duties of an Engine Room Artificer in His Majesty's Navy.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

Part I.

At the end of the fourth year an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

25. Those who qualify will be rated Engine Room Artificers 5th Class, and sent to sea-going ships for one year's practical sea experience.

26. On completion of this year, but not before reaching the age of 21, they may be rated Acting Engine Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow on the lines of other Engine Room Artificers of the Royal Navy, as laid down in the King's Regulations.

On being rated:—

Engine Room Artificer, 5th Class . . . 3s. 0d.

The pay and prospects of Engine Room Artificers, 4th Class, entered under this system, will be the same as for Engine Room Artificers entered direct from the shore.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations will not be claimed as a Right:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer;—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

Widows of retired Officers, or of others formerly in the Royal Navy having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed Pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if he had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their service, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was

any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(a) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenant and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

907 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

The Widow of a Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 2 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 3 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November 1882 that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, since 31st December, 1880, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated.—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (1.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November 1882, whose Widows are pensioned as the Widows of Flag Officers, and (2.) Commissioned Warrant Officers retired after 1st April 1882, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*

(a) *Officers retired before 29 June 1882.*

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the List of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) *Officers retired after 29 June 1882.*

The Widows of Marine Officers retired after 29th June 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within two years shall be considered as persons slain, viz. :—

1. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

COMPASSIONATE ALLOWANCES TO CHILDREN, &c. 908

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within two years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to compassionate allowance.

21. The Allowances granted to the *Sons of Officers* may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowance applicable to their Father's rank, provided real poverty is proved to exist.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

34. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within two years after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 300*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals.

Captains, R.N.	12	Pensions of 150 <i>l.</i> a year each
Medical Officers	3	100 "
General Officers,	3	" "
Royal Marines	6	200 <i>l.</i> "
Colonels and		
Lieutenant-Colonels, Royal Marines	2	150 <i>l.</i> "

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half-pay of an Admiral of the Fleet.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall be eligible for the award of Good Service Pensions while on the Active List only; but such Pensions may be granted to Medical Officers, and to General Officers of Marines, whether on the Active, Reserved or Retired Lists.

A General Officer who has held a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment, together with the Good Service Pension, would amount to more than £950 a year, shall relinquish the Good Service Pension and receive half or retired pay of £950 a year.

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of £950 a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant are eligible for the Good Service Pensions for General Officers.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension

together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 1*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Colonels and Lieutenant-Colonels, Royal Marines, retired from those ranks shall be allowed to receive, in retired pay, together with Good Service Pension, a sum not exceeding £600 a year; but, should the two together exceed that sum, they will be retired on £600 relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag Officers or General Officers on the Active List.

Flag Officers and Captains are allowed to receive their Good Service Pensions, notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

A Naval Aide-de-Camp to His Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (i.e., to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5*sd.* a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 6*sd.* a day at the age of 60, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by selection from among the oldest and most necessitous candidates.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 6*sd.* a day, will be eligible for the additional 6*sd.* a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given, at the discretion of, and under Regulations framed by, the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, the other circumstances of his case, and the amount of the funds available.

They are tenable in addition to Naval and Age Pensions, subject, however, to the limits expressed in the following List:—

	If in receipt of Temporary Pensions.	If not in receipt of Naval Pensions.
When unable to maintain themselves -- --	{ Pension made up to from 1 <i>ls.</i> to 1 <i>ls.</i> 3 <i>sd.</i> a day.	{ Pension awarded from 6 <i>sd.</i> to 1 <i>ls.</i> a day.

Class V. Special cases, including—

Men who have been granted a war medal or clasp; or who were employed in the Franklin Search Expedition; or who were injured on duty.

In cases of exceptional need, or distress special Pensions in excess of the above rates may be granted within a maximum of 2*ls.* 6*sd.* a day

Men discharged for venereal complaints, unless they are life pensioners, or whose general character has been inferior to "good," or who were discharged in good health with less than 13 years' service, unless they come under Class V., are ineligible for Special Pensions, as are men in workhouses.

Men eligible for the benefits of Greenwich Hospital may be admitted to Hospitals when their cases require urgent and temporary treatment, or may be granted a special allowance (not to exceed, however, including all other pensions 2*ls.* 6*sd.* a day) in lieu of treatment.

Failure to comply with this Regulation will render Officers liable to have their names removed from the List.

Warrant Engineers should report half-yearly to a Registrar of Naval Reserve particulars of their current or last employment, and should also report every change of address.

(18.) Officers holding Commissions in the Royal Naval Reserve who undertake any service or engagement that would prevent their fulfilling their engagement to serve when required if called out, will be considered to have vacated their position in the Royal Naval Reserve.

The Pension for Warrant Engineers will also be given, either permanently or temporarily, to any holder of a Deferred Pension Certificate, who, before the age of 60, may be pronounced, upon medical examination, to be wholly and permanently incapacitated from earning his livelihood, provided that such incapacity is not due to his own imprudence or misconduct.

(47.) Officers while holding acting appointments of higher rank will receive all the advantages attached to the superior rank in cases of hurts and wounds.

(48.) Widows and children (if any) of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions and compassionate allowances as the widows and children of Naval Officers of corresponding rank would be entitled to under similar circumstances.

XV.—Warrant to fly the Blue Ensign.

(49.) British Merchant Ships commanded by Officers on the Retired List of the Royal Navy, or by Officers of the Royal Naval Reserve, which fulfil the following conditions, will be allowed to wear a Blue Ensign:—

The Officer Commanding the ship must be an Officer on the Retired List of the Royal Navy or an Officer of the Royal Naval Reserve.

(b) Ten of the crew must be Officers and men belonging to the Royal Naval Reserve. Men belonging to the Royal Fleet Reserve, Naval Pensioners, and men holding Royal Naval Reserve Deferred Pension Certificates, may be included in the number specified.

2. Commanding Officers failing to fulfil the above conditions, unless such failure be due to death or other circumstances over which they have no control, will no longer be entitled to hoist the Blue Ensign.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. This restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.

5. Applications for permission to wear the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVL.—Crews of Hired Vessels.

(50.) The Lords Commissioners of the Admiralty have power to grant temporary Acting Commissions and Acting Appointments in the Royal Naval Reserve to Officers who volunteer to serve in hired vessels in time of emergency or otherwise.

XVII.—Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1883" (26 & 27 Vict. c. 69.), as amended by Act 35 & 36 Vict. c. 73., the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. ships.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Railway passes may be given to them either to London or to any not more distant place and the usual travelling expenses may be paid to them.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(56.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of 30*l.* for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s.

(58.) No money allowance will be granted to Officers attending classes of instruction. Travelling expenses to and from the port of embarkation for training will be paid by the Admiralty.

5. Classes of instruction are held in the evening at the Admiralty, Whitehall.

ORDERS, MEDALS, &c.—RULES AND STATUTES.

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Statute of 21st May, 1902.

It is ordained that the Military Division of the Third class, or Companions, shall not, except under special and temporary exigencies, exceed seven hundred and five; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in Our Army or Marines, or in Our Indian Military Forces, of or above the rank of Major, or a Commission in Our Navy, of or above the rank of Commander, or Fleet Engineer, or of or above the rank of Fleet Paymaster, or a Commission of equivalent or higher rank in the Medical service of Our Army, Navy, or Indian Military Forces, or in the Departments of our Army or Indian Military Forces; nor shall any person be admitted into this division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his conduct and conduct in action against the enemy, in the command of a ship of war of Our troops, or at the head of a Military Depart-

ment, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action, provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Departmental Officers of Our Army or Indian Military Forces, or Medical or Engineer Officers, or Paymasters of Our Navy, and instead thereof, We further declare, that no Departmental Officer of Our Army or Indian Military Forces, or Medical or Engineer Officer, or Paymaster of our Navy, shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious service in actual war, or providing for the exigencies or wants of Our Army, Navy, or Indian Military Forces, or in taking care of the sick or wounded Officers, Soldiers, and Seamen of Our Army and Navy, or of Our Indian Military Forces he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

Under the Regulations dated August 1885 and June 1898, as modified by subsequent Orders.

1. No Subject of His Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained His Majesty's permission to that effect, signified by a Warrant under His Royal Sign-Manual.

2. "Unless the Foreign Decoration shall have been conferred in consequence of active and distinguished Service, either at Sea or in the Field, such permission will not be given to any Subject of His Majesty, except in the following cases, if recommended specially by the Secretary of State for Foreign Affairs:—

"(a) The Chief of a Complimentary Mission from His Majesty.

"(b) A Military or Naval Attaché on the termination of his Appointment.

"(c) Any person, not at the time in the Service of His Majesty, who has rendered valuable service to the Sovereign bestowing the order outside His Majesty's Dominions, or in an Embassy or Legation of that Sovereign in this country."

3a. When a Foreign Decoration is conferred upon a Naval or Military Attaché on the termination of his appointment, he shall only wear it when in the presence of the King, or other Members of the Royal Family, or of the Foreign Sovereign bestowing the Order, or where the recipient shall meet at any public function, in full uniform, an Officer of the Country to which the Decoration belongs.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of His Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received His Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from Naval or Military Services before the Enemy, refer to His Majesty's Principal Secretary of State for War Department, previously to taking His Majesty's pleasure thereupon, in order to ascertain whether there be any objection to His Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lord of the Admiralty, if it relates to an Officer in the Navy.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall sign the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared at the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying His Majesty's permission, at the request and at the expense of the person who has obtained it, be registered in the College Arms.

8. Every such Warrant as aforesaid shall contain Clause providing that His Majesty's license and permission does not authorize the assumption of any appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realm.

3. When a British subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a Higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

4. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by His Majesty's predecessors, King George IV. and King William IV., on whom heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for His Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British subject, having obtained His Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA B.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour. We have instituted and created, and by these presents for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll bearing this inscription "For Valour".

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore.

commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty

Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of Our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMUELL

*Under Her late Majesty's Order in Council, of the 2nd of February, 1890, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 22nd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,
HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Monogram.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The Cross shall be attached to a dark blue ribbon edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may

be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing of sick and wounded soldiers and sailors of Our Army and Navy.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, or other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

By Her Majesty's Command,

LANSDOWNE.

MEDALS, ANNUITIES AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £50) in the case of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council, and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 30th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman, or Marine who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

DISTINGUISHED SERVICE ORDER.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Firstly. It is ordained, that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly. It is ordained that the Order shall consist of the Sovereign, and of such members or Companions as We, Our Heirs or Successors, shall appoint.

Thirdly. It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fourthly. It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces, or Marines, or Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy or Army, the holder of which is entitled to Honorary or relative Navy or Army rank, nor shall any person be nominated unless his services shall have been marked by the special mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in Despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that the decoration of this Order shall be and shall be worn as is herein-after set forth.

Eighthly. It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly. It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. He shall attend to the Service of the Order, and shall execute such directions as we may receive from Our Principal Secretary of State for War.

Tenthly. It is ordained that this Order shall rank next to and immediately after Our Order of the Indian Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedence next to and immediately after the Companions of Our said Order of the Indian Empire, and shall rank among themselves according to the dates of their respective denominations.

Eleventhly. Lastly. We reserve to Ourselves, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Reign, and in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come greeting.

Whereas Her late Majesty, Our Beloved Mother Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her reign, did institute and create a new naval and military order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was among other things, ordained that the said Order should rank next to, and immediately after, Our Order of the Indian Empire, and that the badge of the Order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: Firstly, that the Distinguished Service Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the companions thereof shall, in all places and assemblies whatsoever, have place and precedence next to and immediately after, the members of Our said Royal Victorian Order, and shall rank among themselves according to the dates of their respective nomination. Secondly, that the badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel, enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath, and on a similar red ground, Our Imperial and Royal Cypher, E.R.I., shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

Given at Our Court at St. James's, this twentieth day of July, in the second year of Our reign, and in the year of Our Lord one thousand nine hundred and two.

By His Majesty's Command,
JOHN BRODRICK

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day June, 1901, in the words following, viz. —

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

A. W. FITZROY.

THE ALBERT MEDAL.

WARRANT under His Majesty's Royal Sign Manual amending and consolidating the Royal Warrants relating to the ALBERT MEDAL.

EDWARD, R. & L.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India, To all to whom these Presents shall come, Greeting:

Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under the Royal Sign Manual bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, institute and create for Herself, Her Heirs, and Successors, as a mark of Royal Approval of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

And whereas since the institution of these Decorations under the Warrants above mentioned, amending Warrants bearing date respectively the 13th September, 1881, the 13th March, 1881, and the 14th March, 1884, have been given under the Sign Manual, and it is Our Pleasure still further to amend the Rules governing the award of the Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions.

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the said Decorations, We are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

II. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life at sea, shall consist of a gold oval shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three eighths of an inch in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea," shall, if the award be to any one belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the London Gazette, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea, shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained, that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own

lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State or the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations whether awarded for Gallantry in Saving Life at Sea, or on Land.

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that "The Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstances demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1866, the 12th April, 1867, the 30th April, 1877, the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, are hereby repealed.

Given at Our Court at Saint James's, this fifth day of June, one thousand nine hundred and five, in the fifth year of Our Reign.

By His Majesty's Command.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

737. Men holding any of the Ratings specified as eligible for these awards in Appendix XV.A., Part I, who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the gratuity.

3. To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters M.R. (Medal Recommended), if he should consider him deserving thereof in his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 738.

5. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as such in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done by any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated, and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8 To entitle a man to a Gratuity:—

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalidated, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years—	—	—	—	20
First Class Petty Officers, having served as such for not less than 10 years—	—	—	—	15
Second Class Petty Officers, having served as such for not less than seven years—	—	—	—	10
Leading Seamen, having served as such for not less than five years—	—	—	—	7
Able Seamen, and others	—	—	—	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8 and 15 to 22, of Article 738, are applicable to men who joined the Service before 1st January, 1885.

738. Men holding any of the Ratings specified as eligible for the Good Conduct Medal in Appendix XV. A., Part 1, who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Notes.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal:—

- a. He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension, except as provided for in Clause 4.
- b. He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.
- c. He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1, has been awarded 12 years continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 816 and 818, Clause 3.

4. Desertion and Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class at the earliest date possible.

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes time for Pension. If invalidated before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added:—

To Chief and 1st Class Petty Officer	£ s. d.
" 2nd Class Petty Officer	2 0 0
" Leading Seaman	1 0 0
until the maximum is reached, which will be, for a—	£ s. d.
Chief and 1st Class Petty Officer	15 0 0
2nd Class Petty Officer	10 0 0
Leading Seaman	7 10 0
Able Seaman	5 0 0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5*l.*, will be awarded.

11. If a man is invalidated after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid a Gratuity on completing time for Pension, and whose Pension is not secured to him under Art. 1839A, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing.

18. No service can reckon for Medal or Gratuity which does not reckon for Pension.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, imprisonment or misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalidated, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty as soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1189. Marines afloat or ashore below the rank of Warrant Officer, enlisted prior to 1st of January 1885, may be recommended for the Good Conduct Medal and Gratuity under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a Marine to the Medal—

- a. He must have served for ten years with continuous "Very Good" character, and must never previously have been awarded character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for Pension, provided the character for that year be not below "Good."
 - b. He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application.
 - c. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible.
3. After a Marine has been awarded seven years of such continuous "Very Good" character as will, under these Regulations, count towards the Medal, and should his character continue to be "Very Good," the Captain or the Commandant will add to the "Very Good" given on his Certificate, whenever he is required to record the Marine's character, the letters M.R. (Medal Recommended), should he consider him deserving thereof from his invariably very good Conduct and exemplary manner of performing his duties.

After 12 years of such "Very Good" character the Captain or Commandant will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, fraudulent enlistment, reduction to the Second Class for conduct, imprisonment, when time and pay are forfeited, or the award of character less than "Good" during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 1190.

5. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider with reference to the grant of a Medal without Gratuity the case of any Marine who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-clause b and Clause 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

6. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action or otherwise; in such cases, however, a Gratuity will not be awarded.

7. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

2. To entitle a Marine to the Gratuity—

- a. He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension provided the character for that year be not below "Good."
- b. He must have been awarded the Medal and have never forfeited it;
- c. He must have been recommended for the Gratuity on his Certificate for the three consecutive years immediately preceding his application;
- d. He must have been continuously awarded a character above "Good" since he received the Medal.
- e. He must have completed time for Long Service Pension (unless previously invalidated) and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

2. The scale for Gratuities shall be as follows:—

- | | |
|--|----|
| Non-commissioned Officers in Class I., Art. 1194, who have served as Staff Sergeants, Sergeants, Acting Sergeants, and Lance-Sergeants of Royal Marines for not less than ten years. | 20 |
| Sergeants in Classes II., III., and IV., Art. 1194, who have served as such or as Acting Sergeant or Lance-Sergeant for not less than ten years. | 15 |
| Corporals and Bombardiers, who have served as such, or as Lance-Corporals, or Acting Corporals, or Acting Bombardiers for not less than seven years. | 10 |
| Gunners, Privates, Musicians, and Buglers. | 5 |

Gratuities will not be given to Marines who serve after being pensioned.

10. In cases where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as it may, in the opinion of the Admiralty, be proper to award him.

11. If a Marine die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6 to 12, 15, and 21 to 20 inclusive of Art. 1190, are applicable to Marines who join the Service before 1st January 1881.

1190. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1874 may be recommended for the award of a Good Conduct Medal under the following rules:—

Note.—This applies to Marines who were under the age of 18 on 31st December 1874.

2. To entitle a Marine to a Medal —

- a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension, except as provided for in Clause 4.
- b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Certificate for the three consecutive years immediately preceding his application.
- c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards the Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Conduct Sheet or Certificate the recommendations provided for under Arts. 516 and 518.

4. Desertion and reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class at the earliest date possible.

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. A Marine to whom a Medal has been awarded may be deprived of it summarily, for misconduct, by Warrant under the hand of his Captain, subject to the previous approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and will carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

8. If a Non-commissioned Officer holding a Good Conduct Medal should be reduced for misconduct he is to be absolutely deprived of his Medal.

9. Desertion, reduction for misconduct, reduction to the Second Class for Conduct, Imprisonment by the Civil Power subject to the provisions of Clause 23 or otherwise, or the award of a character inferior to "Very Good" after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in Clause 10; but if pensioned within 12 months of his deprivation and before regaining the Medal, the Man will be considered in regard to Pension as in possession of the Medal.

10. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

Should a Badge be taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

Should the Badge be not regained within 12 months from the date of deprivation, or should two or more Badges be taken away, and not one only, or should a Marine lose a second Badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly.

11. The Good Conduct Medal of a Marine which has been forfeited for misconduct under any of the foregoing clauses may be restored, with the sanction of the Admiralty, on the completion of his time for Pension, provided his character during the last five years of his service has been "Very Good."

12. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

13. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

14. From the date of the award or restoration of a Medal, a Marine provided his character is maintained, will commence earning a Gratuity at the rate of 1/1 a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1/1 for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks, or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank, after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I.	2	0	0
Sergeant in Classes II., III., and IV.	1	0	0
Corporal and Bombardier	0	10	0
until the maximum is reached, which will be, for a—			
Non-commissioned Officer in Class I.	15	0	0
Sergeant in Classes II., III., and IV.	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Musician and Bugler	5	0	0

15. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

16. If a Marine is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

17. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5/11, will be awarded.

18. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

19. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

20. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

21. In Cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

22. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

23. In the case of a Marine who has been paid a Good Conduct Gratuity on completing time for pension, any Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge.

24. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Conduct Book, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Headquarters.

25. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

26. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

27. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

28. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Station on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

28. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

29. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship and in the case of Marines on shore, by the Commandants on parade.

1191. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service amongst Sergeants

who have completed 21 years' service, to be granted either before or after discharge. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

3. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Deputy Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

(Under the Provisions of Order in Council of the 18th May, 1901.)

Commissions in the rank of their last service, and bearing the date of their original seniority, are restored to all officers selected for the list.

On the restoration of their Commissions, Officers are entitled to hold the rank and to wear the uniform of their last service, but do not receive pay, pension, or promotion when not employed.

In the case of Engineer Officers, the Commissions will be issued with the titles corresponding to the rank last held on the Active List.

When called up for Active Service, Officers on this list

receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

Captains and Commanders and Officers of corresponding relative rank	£
Lieutenants and Officers of corresponding relative rank	40
Sub-Lieutenants and Officers of corresponding relative rank	30

On discharge after being called up for Active Service Officers will be granted a Bonus of 15 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List, irrespectively of whether marriage took place when on the Active List or after the resignation of Commission.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

* (Except as provided in Order in Council of 11th July 1905.)

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers of the Military Branch on this List are required to requalify in Gunnery or Torpedo from time to time, and to attend courses at Portsmouth and Devonport under the following Regulations:—

- (g) The number of Officers in any one year will, for the present, be limited to ten at each Port.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering.

The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen who are invited to place their names on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which may be obtained on application to the Admiralty, showing the nature of the service which they are prepared to offer.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 721.

In the case of Commanders and Lieutenants serving in a Ship bearing the Flag of a Senior Flag Officer

present, or the Broad Pendant of a Commodore of the First Class, being the Senior Officer, or in the Ship of the Senior Officer of five or more Ships present, when in the presence of, or acting under the immediate order from, such Senior Flag Officer, Commodore, or Senior Officer of five ships, and employed on service in company with other Commanders, and Lieutenants of the Fleet or Squadron present, they shall take rank and command respectively of all other Commanders and Lieutenants. RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, as modified by Order in Council of 17th February 1886, see p. 961.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages (except command) attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedence of Military and Naval Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.
- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the Regulations on that subject.
- c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieutenant-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

RELATIVE RANK.

† In all matters wherein the Army and Navy Administration are concerned Fleet Surgeons will rank with and as Brigade Surgeons.
‡ The rank from date of appointment as Paymaster instead of from date of appointment as Staff Paymaster.
§ Officers who had attained eight and four years' seniority as Paymaster before 17th February 1866, will take rank from dates of attaining such seniority instead of from dates of Commission as Fleet and Staff Paymaster.

PRIZE MONEY.

PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this day's date We were graciously pleased to annul, from and after the thirty-first day of October next, Our Royal Proclamation of the third day of August one thousand eight hundred and eighty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz. —

That the flag officer or officers shall have one-thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say: —

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers: commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the

award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted: —

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by order from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid. A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer

whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

Every commodore of the second class shall share as captain.

And We hereby direct, that the captain appointed as chief of staff, captain, commander, lieutenant commanding, staff commander commanding, or any other officer duly commanding any ship or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag officer to share, one-tenth of the entire net proceeds, except that if the single capturing ship be a classed ship having a commander under the captain the commander shall take a portion of the one-tenth part according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, and staff commanders commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander commanding, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, or staff commander commanding, or other officer actually commanding, a vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; colonel of marines (artillery or light infantry) or of land forces serving as marines, doing duty with a battalion or force employed on shore for naval operations to share as captains; lieutenant-colonel of marines (artillery or light infantry) or of land forces serving as marines, employed on shore for naval operations, if in actual command of a battalion or force to share as captains; if second in command to share as commanders; major of marines (artillery or light infantry), or of land forces serving as marines employed on shore for naval operations, if in actual command of a battalion or force to share as commanders. And We further direct, that after provision shall thus have been made for the flag staff (if any), and for the portion of the commanding officer or officers, and others as above specified, the remainder of the net proceeds shall be distributed in eleven classes, so that each officer, man, and boy composing the rest of the complements of Our ships and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares or a share, according to his class, as set forth in the following scale:—

And when the list of those actually on board, with the separate list of persons absent, though belonging to the ship or vessel, shall have been verified on examination with the ship's books lodged as official records, the Accountant-General of Our Navy shall grant a certificate that such lists are correct or have been corrected, as occasion may require, in order that distribution of the respective prize or other proceeds payable as prize or salvage money may be duly made in the department of the Accountant-General of Our Navy.

And in the distribution of such prize, or other proceeds payable as prize and salvage money, We hereby direct that all officers, seamen, marines, soldiers, and others holding acting appointments superior to their substantive ranks or ratings, and who are in receipt of pay of such acting appointment, shall share in the classes to which the ranks and ratings in which they are acting may belong; and further that all persons temporarily employed in Our Navy shall share in the classes to which the ranks and ratings to which they are temporarily appointed may belong.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not herein provided for, or not specially provided for, We are pleased hereby to authorise the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, to issue such directions thereupon as may appear just and expedient; which directions shall have the same force and effect as if specially provided for in this Our Royal Proclamation: Provided always, that the distribution hereinbefore ordered shall take effect only with respect to the proceeds of captures, seizures, and services as aforesaid, which shall be made and performed on and after the first day of November one thousand nine hundred; and that the proceeds arising from all captures, seizures, and services as aforesaid, made or performed prior to that date, shall be distributed in accordance with any Proclamation or Proclamations now in force or in force at the time of such captures, seizures, or services respectively and applicable thereto, which We are pleased hereby to direct accordingly.

Given at Our Court at Balmoral, this seventeenth day of September, in the year of Our Lord one thousand nine hundred and in the sixty-fourth year of Our reign.

GOD SAVE THE QUEEN.

CONVEYANCE OF TREASURE.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

At the Court at Osborne House,
Isle of Wight,

10th day of August 1888.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated June 27th, 1888, humbly submitting the Proclamation transmitted therewith, and which is set forth in the schedule hereto for Her Majesty's gracious approval, and humbly submitting that such Proclamation be issued in lieu of the Proclamations and Order in Council in the same mentioned.

H^{ER} MAJESTY, having taken the said Memorial and Proclamation into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, subject as herein-after mentioned.

And Her Majesty, by and with the advice aforesaid, is hereby pleased to direct that the Proclamations of July 15th, 1819, April 23rd, 1831, and June 8th, 1831, and the Order in Council of March 8th, 1838, in the schedule hereto referred to, be annulled from and after the 30th day of September 1888, and the same are hereby annulled accordingly, save and except as to any treasure, whether gold, silver, jewels, or other articles which may have been actually shipped before the first day of October 1888, and save and except further, that the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last named date.

And Her Majesty, by and with the advice aforesaid, is further graciously pleased to order and direct that the Proclamation, subject as aforesaid, shall be substituted in lieu of the aforesaid Proclamations and Order in Council.

And, further, to order and direct that the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SCHEDULE.

A PROCLAMATION.

WHEREAS by an Act passed in the fifty-ninth year of the Reign of His late Majesty King George the third Chapter 25 intitled "An Act to enable His Majesty to fix a rate and direct the disposal of Freight money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels" it is enacted that from and after the eighth day of April one thousand eight hundred and nineteen all freight money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty his heirs and successors of Gold Silver and Jewels or of any other article which may be by special order received on board the said Ships and Vessels and for which freight shall be payable shall be paid at such rate and distributed and applied for such purposes and divided to and amongst such persons in such proportions and after such manner as His Majesty His Heirs and Successors shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that purpose; and that no freight money or reward shall thereafter be demanded, paid, received, or detained by to, or for the use or on

account of any person or persons for the Conveyance on board of any of the Ships and Vessels of His Majesty His Heirs or Successors, of any Gold, Silver or Jewels, or any other article which may be by Special order received on board the said Ship or Vessel, and for which freight shall be payable other than for the purposes, and by the person or persons in the proportion, at the rates, and in the manner to be paid and allowed by Proclamation or Proclamations; and that all bargains, contracts, covenants, agreements made or entered into for the payment of any freight money, for or in the name or on the account of freight for the conveyance of gold, silver or Jewels, or other articles as aforesaid, on board any of His Majesty's Ships or Vessels, at any rate, and for any other purpose, or by or to any other person or persons or in any other manner or proportions than as aforesaid shall be and the same are by the said Act declared to be utterly void.

And whereas by a Royal Proclamation made and issued by His Royal Highness the then Prince Regent in the name and on the behalf of His late Majesty King George the third dated the twelfth day of July one thousand eight hundred and nineteen rates were fixed at which freight should be paid for public and for private treasure respectively and in peace and war and for different voyages as in the said Royal Proclamation were specified.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated the twenty third day of April one thousand eight hundred and thirty one the rates of freight fixed by the aforesaid Royal Proclamation dated twelfth July one thousand eight hundred and nineteen were altered.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated eighth July one thousand eight hundred and thirty one a rate of freight was fixed for the conveyance of gold and silver on board His Majesty's Packets.

And whereas by Our Order in Council dated eighth March one thousand eight hundred and thirty eight We were graciously pleased to authorise our Commissioners for executing the Office of Lord High Admiral of Our United Kingdom in any special case which might occur to fix a less sum for the conveyance of Specie and Jewels than is directed by the Royal Proclamations dated respectively twelfth July one thousand eight hundred and nineteen, twelfth third April one thousand eight hundred and thirty one, and eighth June one thousand eight hundred and thirty one.

And whereas We have thought fit by and with the advice of Our Privy Council to revoke and annul the aforesaid Royal Proclamations and Order in Council subject as herein-after stated. Now therefore We do hereby revoke and annul the said Royal Proclamations and Order in Council as from and after the thirtieth day of September one thousand eight hundred and eighty eight save and except as to any treasure whether gold, silver, jewels, or other article which may have been actually shipped before the first day of October one thousand eight hundred and eighty eight, and save and except further than the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last-named date. And We do by this Our Royal Proclamation by and with the advice of Our Privy Council order and direct that on and after the first day of October one thousand eight hundred and eighty eight the rate at which freight shall be paid for the conveyance on board any of Our Ships, Vessels of treasure belonging to parties other than the Crown whether gold, silver, jewels, or other articles which may by special order be received on board any of Our Ships or Vessels shall be one cent.

And We do hereby further order and direct that the whole amount of the said freight, when received, shall be divided into four parts, and subject to the proviso hereinafter mentioned, distributed as follows, that is to say: one fourth to the Flag Officer if any or less Officers if more than one on the Station or in the Squadron to which the Ship receiving treasure on board may belong; two fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his receipt or sign the Bill of lading for the treasure; and one fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than one Flag Officer on a Station, the said one fourth part shall be divided and distributed amongst the several Flag Officers on the Station, in the following proportions, viz.:-

If there be but two Flag Officers, the Chief shall have two third parts of the said one fourth, and the other shall have the remaining third part; but if the number of Flag Officers be more than two, the Chief shall have only one half, and the other half shall be equally divided amongst the junior Flag Officers; but there be no Flag Officer on the Station, or the Ship or Vessel be not under the orders of a Flag Officer, then that the Captain or Officer Commanding the Ship or Vessel shall have three fourths, and Greenwich Hospital one fourth.

Provided that such Flag Officer or Flag Officers shall not be entitled to claim his or their respective share or shares in such freight money, otherwise than on condition that he or they shall, before the gold, silver, jewels, treasure, or other articles as aforesaid, shall be put on board such Ship or Vessel, have entered a cause to be entered in a public order book on board the Ship of the Commander-in-Chief or the senior Flag Officer commanding on the Station or in the Squadron to which such vessel belongs or delivered to the Captain or Officer commanding such ship or vessel, or in case of a Junior Flag Officer sent from the Commander-in-Chief, unless such Junior Flag Officer shall have delivered to the Commander-in-Chief to be entered in the said order book, an engagement in writing, in form or to the effect following:-

I, A.B., am desirous of partaking in the advantages, with the risks attendant thereon, arising out of the conveyance of treasure under a contract of freightment in any of the ships or vessels in the Squadron [or in the particular ship, as the case may be]. And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such ships or vessels respectively [or, ship or vessel, as the case may be], such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight, and which he or they respectively shall have actually paid and estimated, as shall be in proportion to the share or interest in the said freight money to which I may be entitled.

And that such share or shares of the Flag Officer or Officers as aforesaid, to which he or they shall be entitled under the conditions hereinafore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage which may happen to the gold, silver, jewels, or other articles so carried for conveyance and which may have been made good or satisfied by the Captain or Officer commanding the ship exceeding the total freight money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in case in which the said loss so made good or satisfied is not amount to the whole of the freight money, Greenwich Hospital shall be entitled only to its proportion of the balance of freight money over and above such loss or damage.

That Commodores, with Captains under them, and Masters of the Fleet, are to be considered, agreeably to the rules of the service as Flag Officers; and Commodores, without Captains under them, shall, with respect to freight, be also considered as Flag Officers when in command of a Station.

That when the Captain or Commander, or his agent, shall have received the freight, he shall pay over to the Senior Flag Officer if any and to the Director of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur through his neglect or delay in receiving or paying the same; but if there be any question or difficulty as to the payment, he is to apprise the Senior Flag Officer if any and the Director of Greenwich Hospital respectively of the causes of such delay.

That the Captain or Officer commanding, on receiving any treasure on board any of Our Ships or Vessels, shall transmit to the senior Flag Officer when such Captain or Officer commanding shall be under a Flag Officer, and in every case to the Director of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure, and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro rata itineris, among the Flag Officers, and Captains who may be entitled to share therein, according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution, any party interested therein may refer the same to the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom and the decision or Orders of the said Commissioners or any two of them, as to such division or distribution, shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid received on board flag ships, or any other of Our ships and vessels, and to prevent any private agreements inconsistent with these regulations, all Flag or other Officers are expressly forbidden to receive on board any of Our ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition as to freight or the payment or distribution thereof different from these regulations, or to take, demand or receive any sums other than those established by these regulations. Any question, as to freight, loss, damage, or any share thereof, which may arise between any Officers, or between any Officer or Officers, and the Directors of Greenwich Hospital, and upon which they do not agree, shall be submitted to, and decided by, the said Commissioners or any two of them, and their determination shall be final and conclusive upon all persons interested.

That these rules and regulations shall be in force on and after the first day of October aforesaid and shall be thenceforth taken and understood to be the established rule and custom of Our Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at Our Court at Osborne House, Isle of Wight, this tenth day of August, in the year of Our Lord One thousand eight hundred and eighty eight and in the fifty second year of Our reign

GOD SAVE THE QUEEN

NOTE—Under former Proclamations the liability of the Commanding Officer in the event of any loss of the treasure was restricted to three fourths of the amount thereof corresponding to the amount of freight received by him and the Flag. If it be desired to preserve this limitation, which however will be matter of bargain with the Shippers of the treasure, the following words should be added to the usual form of Bill of Lading:-

And it is hereby stipulated and agreed between the said _____ and the Shipper and Owners and Co-signees of the said _____ that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

KELLY COLLEGE, TAVISTOCK, DEVON.

NOTICE TO WIDOWS OF DECEASED NAVAL OFFICERS OF COMBATANT RANK.

This School was built and endowed under the terms of the will (dated 29th September, 1866) of Admiral Kelly, for the benefit of Founder's Kin and the Sons of deceased Naval Officers of combatant rank.

Foundationers pay no Boarding Fee, and only half the Tuition Fee, i.e., £7 10s. per annum. For this sum they are boarded, lodged, and educated between the ages of 10 and 18; and they enjoy all the benefits of a Public School training, inasmuch as the College attracts a large number of non-Foundationers, both Boarders and Day boys.

The site is on the edge of Dartmoor, and is exceptionally healthy. The Buildings are thoroughly well equipped.

The number of Foundationerships is at present eleven. Elections take place as a rule in July.

Names of candidates are received at any time, and each case is considered on its merits by the Trustees.

All candidates have to pass an easy qualifying Examination.

Copies of scheme and prospectus, photographic views, and all information can be had from
